## **Team Withdrawal & Refund Policy**

All refund request in respect to a team(s) withdrawal from State Cup, Presidents Cup or Junior State Cup, and their application fee, will be subject to the judgment of the State Tournament Committee. **Refunds are not guaranteed.**

### **Kansas State Cup, Presidents Cup & Jr. State Cup**

If a team seeks to withdraw from a State Tournament event **prior** to the **registration deadline**, the team will **receive a 100% refund**. The team will receive that full refund if the notification is submitted, received, and acknowledged by the KSUSA State Office and through the [Kansas Youth Soccer Refund Authorization Form](#).

If a team seeks to withdraw from a State Tournament event **prior** to an official **State Tournament Draw**, they may do so but will **forfeit 50% of their registration fee**. The team will receive that 50% refund if the notification is submitted, received, and acknowledged by the KSUSA State Office and through the [Kansas Youth Soccer Refund Authorization Form](#).

Games cancelled due to weather-related issues will NOT be considered for a refund.

Games cancelled due to state or local government restrictions beyond the control of KSUSA that prevent the games being played will receive a maximum refund possible. However, some expenses may not be recoverable based on operational & management related expenses incurred by Kansas Youth Soccer.

If a team withdraws **after a State Tournament Draw**, the brackets will NOT be redrawn to be in compliance with that State Tournament format. The team will forfeit its entire registration fee.

If a team participates in a State Cup Qualifying Game and is eliminated from the National Championship Series competition, then a portion of their entry fee will be prorated back to the team as determined by the State Cup Committee.

If a team forfeits **during a State Tournament** competition, the team or club will forfeit their performance bond (\$300.00) and may be subject to an additional fine of up to \$1,000.00 and suspension from subsequent State Tournament event(s). The said fine and suspension will be determined by the State Tournament Committee.

The entry fee for all age groups of the State Tournaments will be posted on each [events website](#). State Tournament payment must be submitted online at the time of registration. Fees will be processed after the registration deadline has passed. So no funds are processed until then.

Performance bond must be submitted by the club in the form of a check, cashier's check or money order if they have more than 3 teams participating in a State Tournament event. The performance bond will be in the amount of \$900.00 for 3 teams or more by a club.

Individual teams will submit only a \$300.00 performance bond.
