KSYSA Introduction

The Kansas State Youth Soccer Association (KSYSA) is a member of US Youth Soccer and the United States Soccer Federation (USSF). When you become a member of KSYSA, you are also automatically a member of these organizations as well. KSYSA and all of our members receive benefits from and meet the requirements of these organizations. US Youth Soccer and USSF help KSYSA to provide the best soccer experience for our members in the state of Kansas.

KSYSA is also proud to be associated with such fine partners as Performance Rehab, Veo, Hasty Awards, Fearless and Capable, Soccer Master, Nike, Baker University, NCSA, KwikGoal, Keeper Wars, gipper and Simax Sports.

KSYSA Structure and Events

The [KSYSA Board of Directors](#) serves the membership and administers KSYSA programs and services. There are five (5) Executive Committee Members and five (5) District Commissioners and five (5) Alternate Commissioners from across the State, the Immediate Past President, and Risk Management Chairperson comprising a wide range of experience and opinions.

The [Kansas Youth Soccer Office](#) is located in Olathe, KS and is open Monday – Friday from 9am – 3pm. We have five (5) full time employees dedicated to serving our membership.

The [Kansas Youth Soccer Annual General Meeting \(AGM\)](#) is held each year to vote on officers and policy. At the AGM, ideas and information is exchanged between the KSYSA members and the KSYSA Board of Directors.

The KSYSA Risk Management Policy states that every Adult Applicant (coach, assistant coach, team trainer, team manager, referee, League President, League Delegate, League official, League representative, KSYSA administrator, KSYSA Board of Directors member, contract labor employee, or any other individual over the age of 18 seeking affiliation with KSYSA or KSYSA affiliated leagues who has direct or indirect contact or influence on a youth player) is required to apply for a KSYSA Background Check every two years. This is completed via an Online Risk Management system prior to being registered with KSYSA, its affiliate leagues or as a KSYSA referee. We take safety for our players seriously and so a thorough check is conducted that includes National, State and County databases.

Along with the background check KSYSA requires all Adult Applicants to complete the US Center of SafeSport Training through the KSYSA registration system. This information can be found by [CLICKING HERE](#).

KSYSA Director of Coaching provides training sessions, clinics, camps and more to member players upon request. The DOC organizes licensing courses for coaches in the State and also can lead presentations and coaching education for member clubs and coaches.

KSYSA also provides a Communication Network. Through its board members, registration system and website, KSYSA can distribute state and district information quickly. The KSYSA website includes many useful discount opportunities through partnerships so please visit at www.kansasyouthsoccer.org.

Tournaments

[US Youth Soccer United Cup](#) aims to provide recreational youth soccer players an opportunity to experience a consistent and high-quality statewide tournament in a fun, family-like atmosphere. Member organizations can apply to host the United Cup every year with US Youth Soccer.

[Kansas Junior State Cup](#) is a state-sponsored tournament open to all Under 11 & Under 12 teams competitive and recreational teams with an Open and a Premier division.

[Kansas Presidents Cup](#) is a state-sponsored tournament for competitive teams Under 13 to Under 19 for lower ranked Division I teams and teams that are wanting to advance to a Regional and possible National competition.

[Kansas State Cup](#) is the first step in the US Youth Soccer National Championship Series and designed to crown the best youth soccer teams in Kansas for the Under 13 - Under 19 age divisions.

It requires traveling most weekends and recommended you do not participate in local league if interested. Teams in these leagues are required to play in the Kansas State Cup and have the added benefit of additional pathway to the Midwest Regional Championship.
