- c) **Teams eliminated from the Presidents Cup Qualifying (Play In) game are officially Cup Tied to that event. However, the players on those eliminated Presidents Cup Qualifying teams are eligible for participation in State Cup or Presidents Cup events with other teams following all other rostering rules for those events.**
- d) Qualifying games for groups of **odd number of entries (7 or more)**, will be scheduled at a set date and time by KSYSA for participating teams. If teams agree at an earlier or different date & time all costs will be covered by the teams. Qualifying games must be played in accordance with the following:
 - i. If teams from different areas of the state are drawn to play each other in a Qualifying game, teams may work to find a location that is mutually beneficial for both team’s travel plans with the approval of KSYSA.
 - Example: if there is a team from Wichita and a team from Overland Park drawn into a play-in game against one another, teams may play in Emporia or Ottawa.
- e) Teams that are playing in an age group above their natural age group **SHALL** be the first teams entered into a Qualifying Game, should one be necessary.
 - i. Example: If a 12U team is playing up in a 13U age group, the 12U team shall be entered into the Qualifying game first before any 13U teams.

Section XXIV. Final Authority

- a) The Kansas Presidents Cup Committee consists of the following individuals: KSYSA Executive Director, KSYSA President, Tournament Director, Associate Tournament Director(s), and State Youth Referee Administrator.
- b) The Kansas Presidents Cup Committee reserve the right to make certain decisions regarding this tournament, as they deem necessary, to improve the game and/or protect the participants. Such decisions shall include but are not limited to:
 - i. Cancellation of games
 - ii. Weather Delays
 - iii. Rescheduling of games
 - iv. Positions & Bracketing
 - v. Changing of fields/sites
 - vi. Suspensions
 - vii. Coaching Approvals
 - viii. Fines

Section XXV. Scoring Method

- a) The standing of teams within brackets is based upon the number of points earned in qualifying games. Teams earn points as follows:
 - i. Three (3) points for a win
 - ii. One (1) point for a tie
 - iii. If any team forfeits any game in group play, the team will not be allowed to advance out of their group.
 - iv. A forfeit will be recorded as a score of 4-0 to the winning team.

Section XXVI. Tiebreakers

- a) In the event teams are tied on points earned, the team's placement will be determined in accordance with the following sequential criteria:
 - i. **Winner of head-to-head competition** (this criterion is not used if more than two teams are tied).
 - ii. **Winner of most games.**
 - iii. **Goal differential** (goals scored minus goals against) with a maximum of ten (10) goals per game.
 - *Example:* If the score were 12-1, the calculation would be +10 goals for the winning team, -10 goals for the losing team. If the score were 10-4, the calculation would be +6 goals for the winning team and -6 goals for the losing team.
 - iv. **Fewest Goals Allowed.**
 - v. **Coin Flip** (If two or more teams are required to go to a coin flip they will be scheduled at a specific time and place by KSYSA with Head Coaches or Club Administrators after the completion of last game of all the teams involved.) Procedures for a two (2) way tie should follow Step 2 listed below in Part B.
- b) If **three (3) teams are tied equally in the group play, and you remain evenly tied through all the other tie breaker procedures listed above**, then KSYSA will notify you of being in a 3-way coin flip to determine who advances out of the group as a last resort. These are the procedures for how the 3-way coin toss will work and will need to be completed in full to determine final placement of positions.
 - i. **STEP 1:**
All three (3) coaches will be given a coin of equal size and weight (preferably the Presidents Cup coin for the year). The three (3) coaches will then flip the coin

once. Whichever coin lands as the odd face (heads or tails) out then that coach/team will be placed in the 3rd position of the three available. The two coaches that flipped the same face (heads or tails) of the coin will proceed to Step 2.

ii. **STEP 2:**

The primary side of a coin will be the event logo or shield that will be considered “heads” for this round of the coin flip tie breaker procedures.

The remaining two (2) coaches will be given a coin of equal size and weight (preferably the State Cup coin for the year). The two (2) coaches will then flip the coin once. The coach’s coin that lands on the “heads” side of the coin first (pending they don’t both land on the same side) will be positioned in the top position. The coach’s coin that lands on the “tails” side will be placed in the 2nd position available. This coin procedure is done until an outcome is achieved.

Section XXVII. Kicks from the Penalty Mark Procedure

- a) The referee tosses a coin and the team whose captain wins the toss decides whether to take the first or the second kick.
- b) The referee flips a coin to determine the goal at which the kicks will be taken unless weather, field conditions or crowd control issues arise that prevent one side of the field. Then it is at the discretion of the referee, with the recommendation of the State Youth Referee Administrator to decide based on what’s best for the game at the time.
- c) With the exception of a substitute for a goalkeeper who is unable to continue, ***only players who are on the field of play or are temporarily off the field of play*** (injury, adjusting equipment etc.) at the end of the match are eligible to take kicks.
- d) Each team is responsible for selecting from the eligible players the order in which they will take the kicks. The referee is NOT informed of the order.
- e) If at the end of the match and before or during the Kicks from the Penalty Mark with one team having a greater number of players than its opponents, it ***must reduce its numbers to the same number as its opponents*** (“**reduce to equate**” and the referee must be informed of the name and number of each player excluded. Any excluded player is not eligible to take part in the kicks (except as outlined below). The team captain shall have this responsibility.
- f) A goalkeeper who is unable to continue before or during the kicks may be replaced by a player excluded to equalize the number of players or a named substitute, but the replaced goalkeeper takes no further part and may not take a kick.
- g) If the goalkeeper has already taken a kick, the replacement may not take a kick until the next round of kicks

During Kicks from the Penalty Mark

- a) Only eligible players and referees are permitted to remain on the field of play.

- b) All eligible players, except the player taking the kick and the two goalkeepers, must remain within the center circle.
- c) The goalkeeper of the kicker must remain on the field of play, outside the penalty area, on the goal line where it meets the penalty area boundary line.
- d) An eligible player may change places with the goalkeeper.
- e) The kick is completed when the ball stops moving, goes out of play or the referee stops play for any offence; the kicker may not play the ball a second time.
- f) The referee keeps a record of the kicks.
- g) If the **goalkeeper commits an offence** and, as a result, the kick is retaken, **the goalkeeper is warned for the first offence and cautioned for any subsequent offence(s).**
- h) If the kicker is penalized for an offence committed after the referee has signaled for the kick to be taken, that kick is recorded as missed and the kicker is cautioned.
- i) If both the goalkeeper and kicker commit an offence at the same time:
 - i. if the kick is missed or saved, the kick is retaken and both players cautioned.
 - ii. if the kick is scored, the goal is disallowed, the kick is recorded as missed and the kicker cautioned.
- j) SUBJECT TO THE CONDITIONS EXPLAINED BELOW, BOTH TEAMS TAKE FIVE KICKS
 - i. The kicks are taken alternately by the teams.
 - ii. If, before both teams have taken five kicks, one has scored more goals than the other could score, even if it were to complete its five kicks, no more kicks are taken.
 - iii. If, after both teams have taken five kicks, the scores are level kicks continue until one team has scored a goal more than the other from the same number of kicks.
 - iv. Each kick is taken by a different player and all eligible players must take a kick before any player can take a second kick.
 - v. The above principle continues for any subsequent sequence of kicks but a team may change the order of kickers.
 - vi. Kicks from the penalty mark must not be delayed for a player who leaves the field of play. The player's kick will be forfeited (not scored) if the player does not return in time to take a kick.
- k) SUBSTITUTIONS AND SEND OFFS DURING KICKS FROM THE PENALTY MARK
 - i. A player, substitute or substituted player may be cautioned or sent off.
 - ii. A goalkeeper who is sent off must be replaced by an eligible player.
 - iii. A player other than the goalkeeper who is unable to continue may not be replaced.
 - iv. The referee must not abandon the match if a team is reduced to fewer than seven (7) players.

Section XXVIII. Head Injuries Policy and Temporary Substitution

- a) If a player is suspected of suffering a head injury, they may be substituted for evaluation during each half or overtime period. If the player with the suspected head injury has

received clearance from the events' Health Care Professional, the player may re-enter at any stoppage of play.

Section XXIX. Tournament Bracketing

- a) The following formats will be used depending on the number of entries in each age division:
- b) For age groups where there is an **odd number of entries (7 or more)**, Qualifying Games will be utilized to reduce the number of teams, within an age group to an even number of teams, for group play (round-robin) purposes. Teams that lose a Qualifying Game will be reimbursed a prorated portion of their entry fee.
- c) Qualifying games will be scheduled by the participating teams within a timeframe designated by the Kansas Youth Soccer. Qualifying games must be played in accordance with the following:
- d) If teams from different areas of the state are drawn to play each other in a Qualifying game, teams may work to find a location that is mutually beneficial for both team's travel plans with the approval of KSYSA.
 - i. Example: if there is a team from Wichita and a team from Overland Park drawn into a play-in game against one another, teams may play in Emporia or Ottawa.
